Why am I so excited about Project Gold?

We're bringing together the best and brightest students from the Kitchener-Waterloo area to compete against each other for a national cause. All of it is in good spirit, for the love of the sport and to have a great time among peers.

What is the date of the event?

Project Gold will be on April 4th, 2015. The exact times will be confirmed later on in the month and a schedule will be released.

Where will the event be?

The event is at Wilfrid Laurier University.

When will the case be released?

The case will be released on the website and e-mailed out on March 21st, 2 weeks before the date of the event. Take your time reviewing the case with your team and we will have representatives available if there are any questions.

What are the prizes for the event?

We're working on confirming the prizes but rest assured we're aiming to have the most sponsors of any case competition in the area.
